

## NOGRID MODULAR SYSTEM – Summer discount pricelist

**Base unit:** 1 x NoGrid battery with 270 Wp Sharp solar panel, mounting frame and cable set to connect to another NoGrid unit.

**Inverter:** Victron Energy inverters with bluetooth monitoring on mobile phone, output 230 Volt 50 Hz.

The system can be **self installed** (plug and play), system **capacity can be expanded** with additional units in the future.

Product	PV solar panel	Output	Capacity kWh	Max power	Price (ex VAT)	Price (incl 21% VAT)	Discount prices (incl 21% VAT)	What you can power: Direct Current (DC) appliances
NoGrid Power module stand alone	1 x Sharp 270 Wp	48 V DC	1.2	1200 Watt	1488	<del>€1,900</del>	€1599,-	48 Volt DC appliances like LED Lights, a fridge, 2 fans, and a DC/DC converter to 24 or 12 Volt, large street light, SCADA, telecom equipment
Set of DC cables with connectors	6 meter length				40	€ 49		

One unit with inverter	PV solar panel	Output	Capacity kWh	Max power	Price (ex VAT)	Price (incl 21% VAT)	Discount prices (incl 21% VAT)	What you can power: Alternate Current (AC 230 Volt 50 Hz) appliances
1 x NoGrid + 250 Watt inverter	1 x Sharp 270 Wp	230 V AC	1.2	250 Watt	1612	<del>€1,950</del>	€1749,-	6 x LED Lights, a fridge + freezer, 1 fans, PC, laptop, more mobile phone chargers, LED TV
1 x NoGrid + 350 Watt inverter	1 x Sharp 270 Wp	230 V AC	1.2	375 Watt	1632	<del>€1,975</del>	€1775,-	6 x LED Lights, a fridge + freezer, 1 fans, PC, laptop, more mobile phone chargers, LED TV
1 x NoGrid + 500 Watt inverter	1 x Sharp 270 Wp	230 V AC	1.2	500 Watt	1653	<del>€2,000</del>	€1799,-	6 x LED Lights, a fridge + freezer, 1 fans, PC, laptop, more mobile phone chargers, LED TV
1 x NoGrid + 800 Watt inverter	1 x Sharp 270 Wp	230 V AC	1.2	800 Watt	1736	<del>€2,100</del>	€1899,-	6 x LED Lights, a fridge + freezer, 1 fans, PC, laptop, more mobile phone chargers, LED TV
1 x NoGrid + 1200 Watt inverter	1 x Sharp 270 Wp	230 V AC	1.2	1200 Watt	1901	<del>€2,300</del>	€2099,-	6 x LED Lights, a fridge + freezer, 1 fans, PC, laptop, more mobile phone chargers, LED TV

More units with inverter	PV solar panel	Output	Capacity kWh	Max power	Price (ex VAT)	Price (incl 21% VAT)	Discount prices (incl 21% VAT)	What you can power: AC appliances off grid or grid connected
NoGrid Power module Base unit connectable to other units	1 x Sharp 370 Wp	48 V DC	1.2	500 Watt	1653	<del>€2,000</del>	€1799,-	48 Volt DC appliances like LED Lights, a fridge, 2 fans, and a DC/DC converter to 24 or 12 Volt, large street light ( 3 days autonomy), SCADA, telecom equipment
1 x NoGrid + 500 Watt inverter	1 x Sharp 370 Wp	230 V AC	1.2	500 Watt	1818	<del>€2,200</del>	€1999,-	6 x LED Lights, a fridge + freezer, 1 fans, PC, laptop, more mobile phone chargers, LED TV
2 x NoGrid + 800 Watt inverter	2 x Sharp 370 Wp	230 V AC	2.4	800 Watt	3554	<del>€4,300</del>	€3799,-	10 x LED Lights, a fridge, 2 fans, PC, laptop, more mobile phone chargers, LED TV
3 x NoGrid + 1200 Watt inverter	3 x Sharp 370 Wp	230 V AC	3.6	1200 Watt	5289	<del>€6,400</del>	€5499,-	Small house: Electric kettle, medium size electrical stove, hair dryer
4 x NoGrid + 1600 Watt inverter	4 x Sharp 370 Wp	230 V AC	4.8	1600 Watt	7025	<del>€8,500</del>	€7299,-	Small house (kit 3) plus one airco on for 4 hours a day
5 x NoGrid + 2000 Watt inverter	5 x Sharp 370 Wp	230 V AC	6.0	2000 Watt	8678	<del>€10,500</del>	€8999,-	Small house (kit 3) with one airco on for 6 hours a day
6 x NoGrid + 2000 Watt inverter	6 x Sharp 370 Wp	230 V AC	7.2	2000 Watt	10331	<del>€12,500</del>	€10099,-	Small house (kit 3) with one airco on for 8 hours a day
7 x NoGrid + 3000 Watt inverter	7 x Sharp 370 Wp	230 V AC	8.4	3000 Watt	11983	<del>€14,500</del>	€11699,-	Medium size house with 2 airco on on for 4 hours a day
8 x NoGrid + 3000 Watt inverter	8 x Sharp 370 Wp	230 V AC	9.6	3000 Watt	13636	<del>€16,500</del>	€13299,-	Medium size house or office with 2 airco on on for 5 hours a day
9 x NoGrid + 3000 Watt inverter	9 x Sharp 370 Wp	230 V AC	10.8	3000 Watt	15289	<del>€18,500</del>	€14899,-	Medium size house or office with 2 airco on on for 6 hours a day
10 x NoGrid + 3000 Watt inverter	10 x Sharp 370 Wp	230 V AC	12.0	3000 Watt	16942	<del>€20,500</del>	Send request	Medium size house, office with 2 airco on on for 8 hours a day, shop or workshop
14 x NoGrid + 5000 Watt inverter	14 x Sharp 370 Wp	230 V AC	16.8	5000 Watt	23636	<del>€28,600</del>	Send request	Large house / villa / office with 3 airco on on for 8 hours a day, shop or workshop

Notes:

NoGrid Power module can also be combined with most other PV solar panels. Ask for prices without solar panels

For 48 V applications, NoGrid modules can also be combined to increase output power and capacity.

It is possible to power 24 and 12 Volt appliances, please contact us

The general terms and conditions apply to the entire pricelist unless otherwise expressly agreed by side letter or written notification.

The general terms and conditions can be found at our website: [www.solartechno.com](http://www.solartechno.com)

Warranty: product warranty 2 years, battery warranty: 10 years at 70% battery capacity (Europe), Africa and Middle East: 8 years at 70% battery capacity

FOR ANY SPECIFIC QUESTION, PLEASE CONTACT US.
